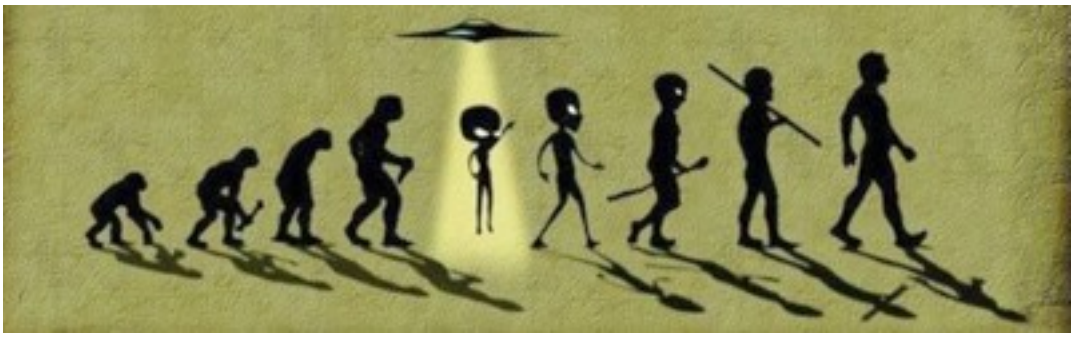
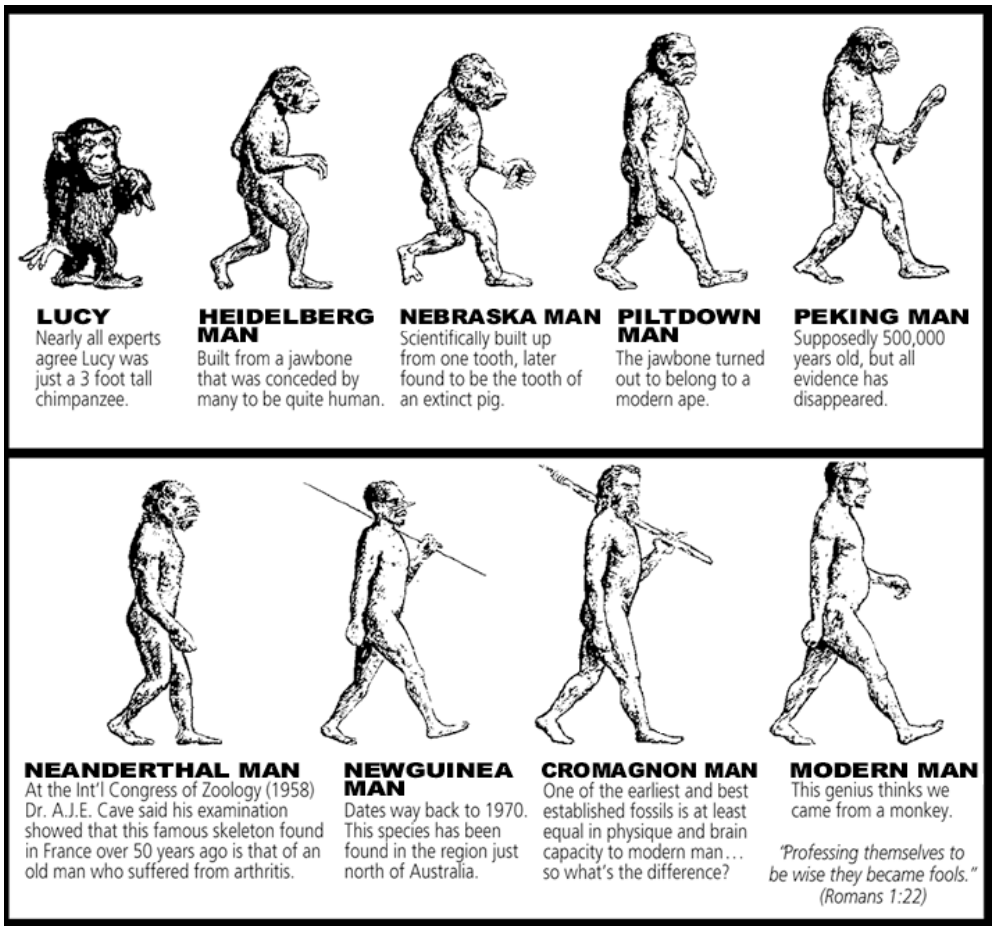
DID ALIENS CREATE ORIGINAL MAN? LETS EXAMINE THE EVIDENCE WHAT DOES MICHAEL CREMO SAY?



I have been researching this topic for 15 years. I have read everyone that has an opinion on this subject and what is so obvious is that those who believe aliens created original man are all promoting the ALIEN AGENDA AND THEIR MYTHICAL STORIES ABOUT HUMAN ORIGINS. These people do not dig deeper into human origins; they refer to the Ancient Sumerian, Jewish and Atlantian legends instead. They base their beliefs on what aliens have told these ancient and prehistoric people about their origins. To make it simple aliens created these ruling Reptilian and Serpent bloodlines. They did not know any better, they and worshipped aliens as gods. You cannot trust an alien as far as you can throw a wet one in the rain. Aliens lie like they breathe. What they talk about is what Jesus (Yashua) refers to as the "Lying Signs and Wonders" of the evil "Powers and Principalities" who are the real rulers of our three-dimensional world who are bringing us the "End Time Delusion of Mankind."

If you tell a lie over and over again it has a tendency of being believed as fact and this appears to be what is happening.



LUCY
Nearly all experts agree Lucy was just a 3 foot tall chimpanzee.
HEIDELBERG MAN
Built from a jawbone that was conceded by many to be quite human.
NEBRASKA MAN
Scientifically built up from one tooth, later found to be the tooth of an extinct pig.
PILTDOWN MAN
The jawbone turned out to belong to a modern ape.
PEKING MAN
Supposedly 500,000 years old, but all evidence has disappeared.
NEANDERTHAL MAN
At the Int'l Congress of Zoology (1958) Dr. A.J.E. Cave said his examination showed that this famous skeleton found in France over 50 years ago is that of an old man who suffered from arthritis.
NEWGUINEA MAN
Dates way back to 1970. This species has been found in the region just north of Australia.
CROMAGNON MAN
One of the earliest and best established fossils is at least equal in physique and brain capacity to modern man… so what's the difference?
MODERN MAN
This genius thinks we came from a monkey.
"Professing themselves to be wise they became fools." (Romans 1:22)

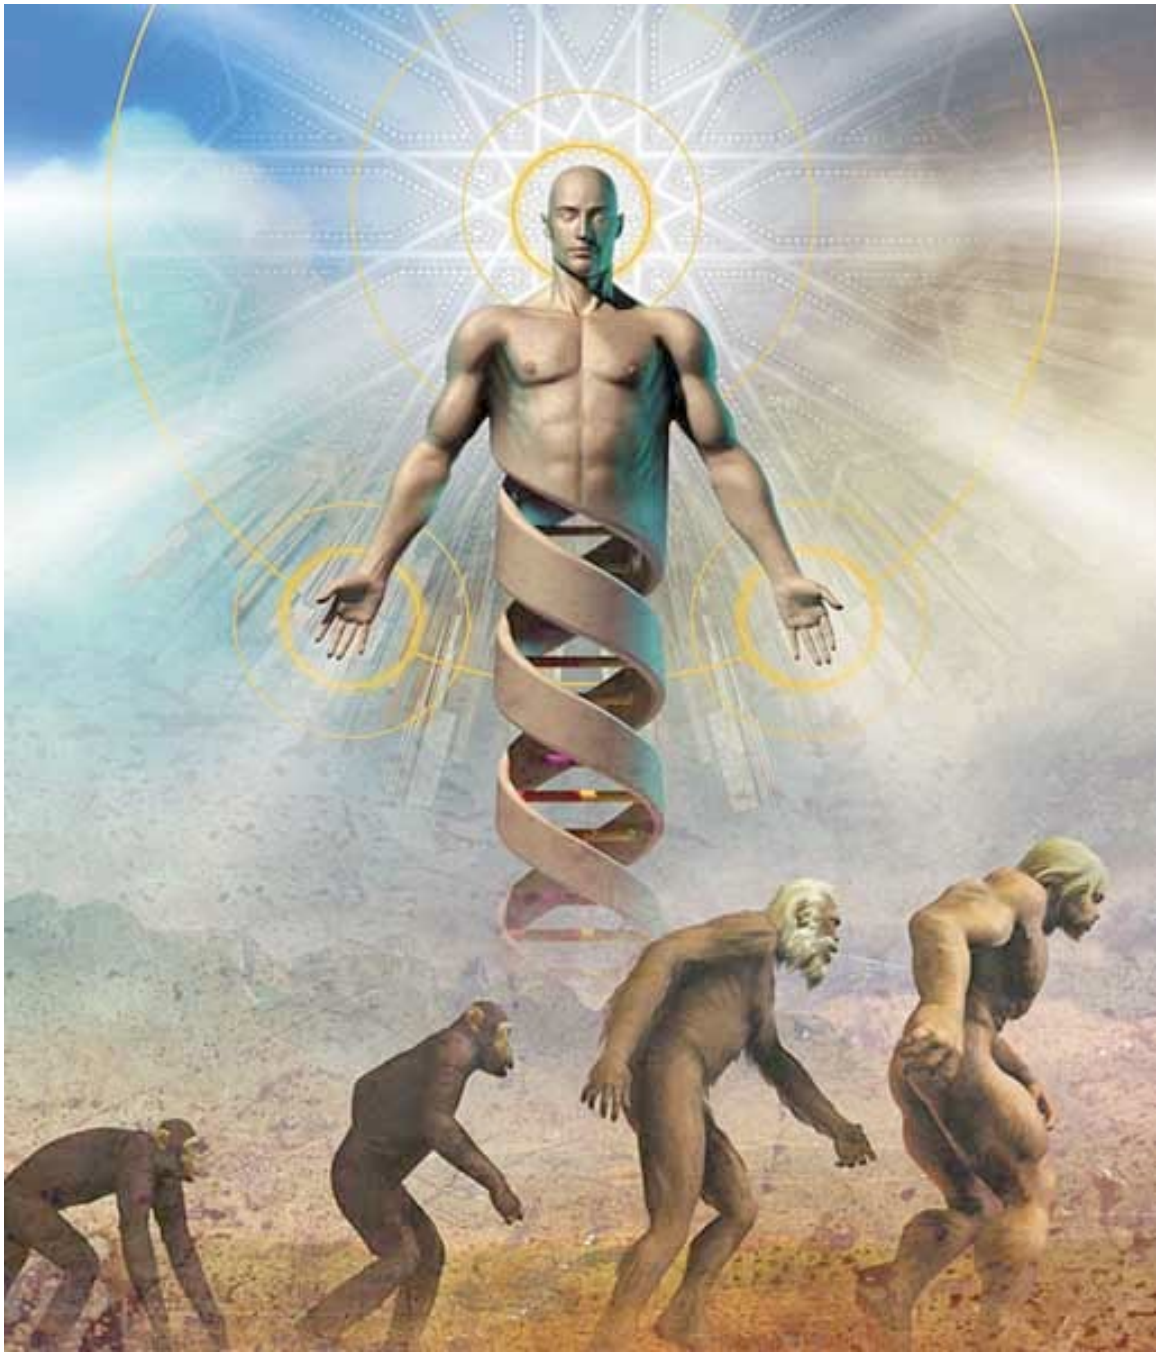
WE NEED TO DIG DEEPER TO EVIDENCE THAT DOES EXIST WHICH REFUTES THIS ALIEN SPIN.

These alien myths and legends people refer to only date back to events that happened during and after the last Ice Age, so they DO NOT REFLECT THE ORIGINS OF ORIGINAL MAN (MITOCHONDRIAL MOTHERS) who may have existed on earth as far back as 2-3 billion years (from the beginning).

When you look at where these ALIEN CREATION STORIES are coming from you learn that they are primarily coming from the Sumerian Documents that were found in the Mesopotamia. They were written in the Semitic Akkadian language. They were a composition of stories being promoted by a

Babylonian priest named Sin-leqi-unninni. The actual events in the story are thought to have occurred around 2.500 – 3.000 B.C.

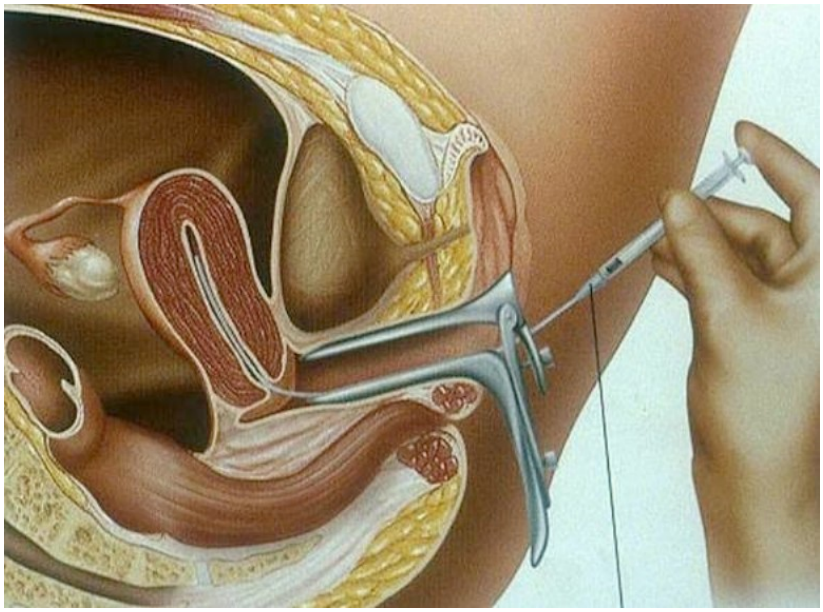
The Jewish and Roman Orthodox Catholic and Christian church refuse to admit this but archeology has a way of being accurate. These Sumerian Creations Stories are actually the same stories found in Genesis Chapter 1-2 and in the Old Testament in general; only the names have changed. (There is nothing new under the sun).



If you actually use your common sense while reading these stories you find that the INFORMATION FOUND ON THESE TABLETS CAME FROM ALIENS. The Sumerian slave races that were created to work the mines, in these stories, were actually stories about the creation of human hybrids by ALIEN INTELLIGENT DESIGN. They were the BLACK EVES and the

ARISTOCRATIC BLOODLINES known today as the Serpent and Reptilian bloodline. Now ALIEN INTELLIGENT DESIGN has been going on all over the planet.

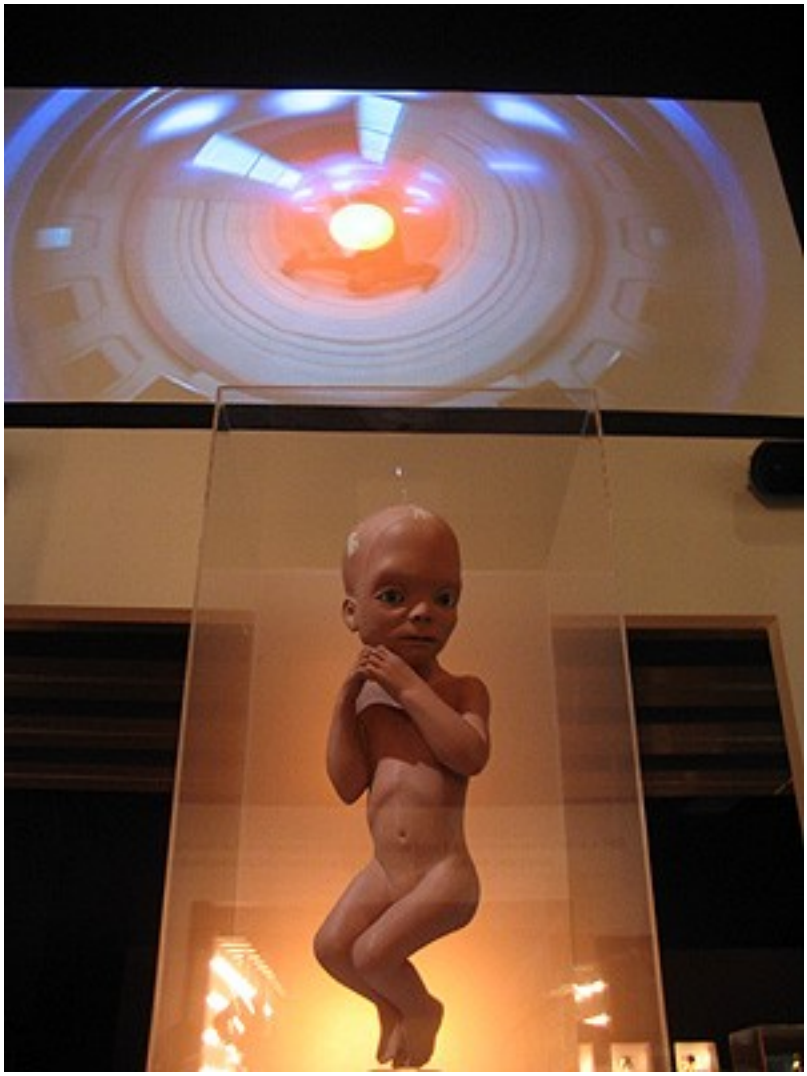
Other MYTHS AND LEGENDS used to promote this MISINFORMATION about human origins came from the stories of Atlantis or the regions of the world associated with Atlantis primarily.



Those stories also refer to the rape, cloning and artificial insemination practices of aliens. They are centered on the dates that the City of Atlantis and the regions of Atlantic were inundated by flooding and lost to history in general. Most people date the sinking of Atlantis to have occurred during and after the last Ice Age, which were to recent in human history to be applied to the creation of original man our Mitochondrial Mothers. The people groups most associated with the Atlantis Hybrids were the INDIAN ADAMS.

Then we have the current data describing aliens abductions, where the victims were most often woman. Their stories tell us that they were used as incubators. Aliens either raped them or they tell us that their DNA was extracted and used in alien genetic experiments for cloning practices.

Some of these abduction accounts state that they were abducted and inseminated with an alien fetus or impregnated through rape.



Once the fetus was 3 months old they were abducted and the fetus was removed. These women also report seeing incubators where the fetus was placed to develop once it was removed from their uterus. Some woman are abducted and raped by aliens and become pregnant but carry these fetus's to term.

Star Children are found to have a human mother (Mitochondria DNA from our human mothers) and an unknown father. Who ever the father was IT WAS NOT HUMAN.

Shotgun DNA test conducted in 2010 on the Star Child Skull have concluded this is the skull of an Alien/Human hybrid.

Aliens tell these victims that they are creating “Star Seeds” who are part human part alien who will join mankind and help us evolve to a higher consciousness.

The belief was that these "Star Children" would look and act so human they could walk among us and not be noticed. Even Jesus (Yashua) warned that they would be walking among us today. Many believe these "Star Children" walk among us today and have been for a long time. David Wilcox is an example of a man who some people believe is a "Star Child."

Then finally we have the reports of Shadow Military – Alien genetic laboratories built in underground basis all over the world where alien hybrids are kept in incubators or in a state of suspension.

<u>WHO STARTED THESE STORIES THAT ALIENS CREATED HUMAN BEIINGS -THESE STORIES LEGENDS AND MYTHS ALL OVER THE WORLD</u>?

That is easy, they all originate from the LIES ALIENS HAVE TOLD THEIR HYBRID RACES.

Example: The Epic of Gilgamesh and the Sumerian Creation Stories came from aliens. These ancient and

prehistoric legends and myths state that aliens took less evolved primates and infused human and alien DNA together.

What this is all telling us is that ALIENS CLONED HUMAN HYBRIDS – THEY DID NOT CREATE ORIGINAL MAN. These ancient legends tell us aliens did not have the know how to create original man and failed in their attempts to create hybrids over and over again. Even Genesis Chapter 6 states that they were not skilled enough to create ORIGINAL MAN.

I no longer call myself a Christian but I do promote what Jesus (Yashua) taught so I began to look for his teachings on the subject. Because the Bible is so sketchy on this subject I had to also research other sources that wrote about his teachings and what I found was a great deal of information both in and outside the Bible. Example: In the Pistis Sophia Story, which was unearthed with the Nag Hammadi Scrolls in the 1940's, we find Jesus (Yashua) teaching his followers about the creation of man, angels, archangels etc. The document is long and winding but in the document he basically teaches that original man was created above these dark denizens of despair (aliens). He taught that what we think of as angles (WATCHERS) today, were created to be a part of the creative process and watch over mankind and to guide them. One of the main rules was that these guardian angels aka WATCHERS, were to keep their place and NOT MINGLE WITH MANKIND.

Jesus (Yashua) describes two groups who did not follow the rules and were TOSSED OUT of the Heavenly Dimension Jesus and the WATCHERS occupied and were forced down into our three dimensional world to set up housekeeping inside the earth.

The first group was essentially the Nordic Aryan Alien "Fallen Elohim Watchers." They had created a mutiny and broke ranks to become defectors. The other entity was the son of Sophia who was described by Jesus (Yashua) as a lion-faced reptilian entity who became the most powerful alien force in our three dimensional world. His name was Yahweh Ildabaoth the Demiurge aka Jehovah and he was the entity who came to be worshipped by the Judah Jews and the Sumerians as well as other people groups in the Middle East. So even Jesus (Yashua) continually spoke about these evil demonic Nordic and Reptilian aliens to his followers as LESSER BEINGS TO WATCH OUT FOR. They and their hybrid bloodlines became the evil "Powers and Principalities" Jesus (Yashua) Paul and others referred to.

Jesus (Yashua) taught that the souls of mankind were created above these dark beings and these human beings.

He taught that original man was incredible with talents and abilities we could only dream of today.

He appears to have come into a part of the world that was riddled with the beliefs of these dark denizens known as the lesser gods or the "Gods of Eden." He apparently came to tell humanity the truth about their origins both physical and spiritual (soul essence) and to inform them that their real HEAVENLY FATHER exists and that he loves the souls that are trapped in matter.

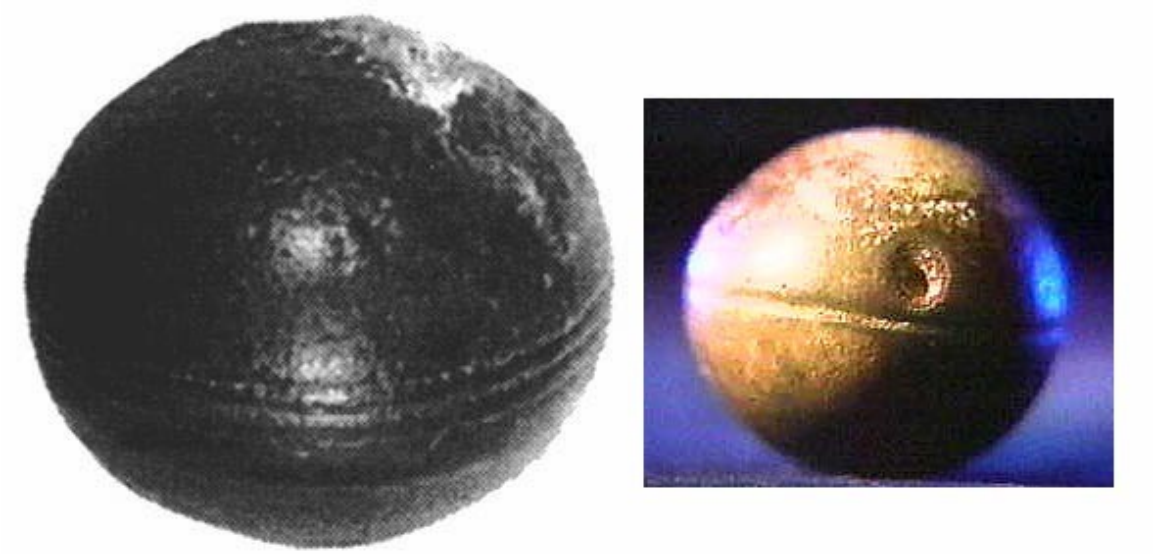
WHAT HAVE ARCHEOLOGIST DUG UP ABOUT ORIGINAL MAN

One of those best-kept secrets has to do with the archeological communities who in the past have primarily been funded by the church to find archeological evidence to prove that the Bible data is true. Any evidence they found to the contrary was not to be published and they apparently found a lot of archeological evidence that did not correspond to Biblical events, time lines, or the origins of humanity. What they found was that mankind was much, much, much older.



As a matter of fact Michael Cremo has documented evidence to show that mankind may actually be 2 billion years old, may be older. One Example: we have these incredible machine tooled balls, found in Africa, that have been dated back to 2-3 Billion years ago. http://www.youtube.com/watch?v=8_V2c_kPTyM&feature=relmfu

Here is what Michael Cremo stated regarding his archeological findings:

"I went digging into the history of archeology. From my studies in the ancient Sanskrit writings of India, I

learned of a human presence that goes back about 2 billion years on earth. When I looked at the current textbooks on archeology, I did not see any such evidence. But I decided I would dig deeper, and when I did that digging I found that over the past 150 years archeologists have discovered huge amounts of evidence, in the form of human skeletal remains, human footprints, and human artifacts tens of millions, even hundreds of millions of years old, going all the way back to about 2 billion years. My digging took eight years, and it meant searching out original archeological reports in archives and libraries from around the world, in many different languages." http://openrevolt.info/2012/02/16/devolution/

Among the data Michael talks about are the Laetoli footprints that were found in layers of solidified volcanic ash. They were dated by the potassium-argon method as being about 3.7 million years old. Then there was the shoe print found by William Meister near Antelope Springs, Utah, that goes back about 500 million years. Mary Leakey discovered evidence that anatomically modern humans existed about 3.7 million years ago in Africa. Michael states that: "whether we believe the earth is a few thousand years old (as Christians assert) or a few billion years old (as I assert), humans like us have been around since the beginning of the history of life and we did not come from more primitive apelike ancestors."

500.000-year-old footprints and shoe prints have been found with machine double stitching in them that look exactly like ours.

WHO WAS LUCY THEN?

Lucy was the model that Intelligent Designers used to attempt to prove that human being evolved from primates yet Michael States:

"Homo habilis (the "handy man") and *Australopithecus afarensis* ("Lucy") are two "species" that turned out to be made up of the bones of two of more species. Yet there are still "mock ups" of these made-up species in museums. Is it widely accepted now that these species never existed."

<u>OUR ORIGINAL SCANDINAVIAN MITOCHONDRIAL MOTHERS WERE INCREDIBLE – WHO KNEW</u>

Michael appears to be saying the same thing Jesus (Yashua) taught in the Pistis Sophia story, which was that mankind, has devolved. That our souls, which are the "Real Man" in all of us, came down into matter to check things out and eventually became trapped in this three-dimensional world by malevolent beings (aliens). Jesus (Yashua) came to teach us who were really were. He explained this to his followers, that <u>if you think that what I do is incredible you should also know what you were once capable of doing and what you will be able to do at the end of this current Earth Age</u>. Our bodies were

designed originally to live forever. Example: our cells were designed to reproduce perfectly until something (aliens) happened to change that process. Today our cells don't reproduce perfectly so we get sick age and die. All ancient cultures spoke of a race that lived in what are now the Arctic regions and other locations that have been destroyed. These incredible Scandinavian archetypes were said to be incredible, they were like gods according to ancient legends. They had incredible abilities and lived forever or so the story goes until the evil gods (aliens) came down and changed all that.

STAY CLEAR OF THE ALIEN AGENDA AND THOSE WHO PROMOTE WHAT ALIENS TEACH BECAUSE IT IS A LIE!

I can't be clear enough that we are being SCAMMED about our human origins today. We are being taught the human hybrid origins instead of our original human origins for very devious reasons. Those engaging in this conspiracy of silence regarding our human origins prevent us from knowing about out real human history using a process Michael Cremo refers to as "Knowledge Filtration." Instead lies about our human origins have been taught for thousands of years and as I said above if enough people tell lies over and over again, these lies start to be accepted as truths.
